

PROPER
PLAYER DEVELOPMENT
IN A CLUB STRUCTURE

San Diego United Soccer Club is a California Non-Profit dedicated to establishing a positive culture in the soccer while providing the highest quality of coaching and competition. Our programs included:

JUNIOR STARS –RECREATIONAL PROGRAM (SERVING AGES 4-7)

UNITED COMPETITIVE TEAMS (SERVING AGES 8-18)

San Diego United is guided by soccer professionals that work together to provide a safe and structured environment to our youth's development in soccer at the appropriate curriculums for each level of competition.

LIGHTS! LIGHTS! LIGHTS!

We train our teams in El Cajon, CA where field availability is challenging. To combat that issue and insure the safety of our players we underwrite the use and maintenance of field lighting at these fields. The cost to purchase and set up each light can exceed \$1500.00.

This season we will require at least 4 new lights. Our goal is to raise enough money at this tournament to furnish these new lights.

Become a sponsor today and help us achieve that goal for our kids!

ALLOW US TO BRAG!

In our infancy as a club, we can proudly say we are showing results where it counts! San Diego United has had 5 players go on to colleges on Soccer Scholarships !

For the 2010 school year, 4 players have signed letters of intent (accepted athletic scholarships) while several more players are considering their options to play soccer in college.

We encourage our athletes to use their talent on the field to attain their dreams in life!
